

BREAKOUT I

What are some examples of
“Attention SCORE”
(or “Attention-SCORE-like”)
situations, practices, occasions, events?

BREAKOUT I

What are some examples of
“Attention SCORE”
(or “Attention-SCORE-like”)
situations, practices, occasions, events?

We want to keep gathering INSTANCES of these, and “thickening” our sense of the relevant backstory/cultures/traditions...

BREAKOUT II

Where might Attention SCORES
be deployed or tested
in our ongoing work of

ATTENTION ACTIVISM?
